

**NHS Lewisham Clinical Commissioning Group
Governing Body
Public Forum Session**

12 March 2015, 9.00-9.30am

From the Governing Body:

Professor Ami David, Registered Nurse
Dr Marc Rowland, CCG Chair
Diana Robbins, Lay Member for PPI

From the Clinical Commissioning Group:

Charles Malcolm-Smith, Head of Strategy & Organisational Development
Mina Jesa, Head of Engagement (notes)

Three member of the public attended.

Question 1

What affect will the proposed change in the NHS be on pensioners, as they are probably the largest users of services?

CCG response

The level of disability presenting has changed with more patients with long term condition and there are now a higher proportion of residents in Lewisham who are over 60 years old. Much of the GPs time is spent on issues which could be dealt with elsewhere. The 5yr forward view outlines changes where we need to work differently.
